Dear Ruth:

As you know my father, Adm. Zumwalt, is on your Board of Advisors. Channel 9 called his office earlier this week to interview him about the proposed Memorial but were told that since my father was still in intensive care following radical surgery for incurable cancer, he was not available. Consequently, they asked to interview me in his place, which I did yesterday.

The interview has sparked the freelance writer in me so I want to try and do a piece for the Wash Times, which has printed several of my OpEd pieces. I have pulled some information off your website but was wondering if there was any other info you could provide me with--such as the specific verbage you propose for the Memoria.

I believe in what your doing and appreciate your doing iit. I am sure my late brother--as well as many other Vietnam veterans who have passed on--appreciate it as well.
Regards, Jim Zumwalt
