Dear Ruth,

Thank you for your kind and quick response. I live in Arlington, Va. and am working with Bill McBride of the Vietnam Veterans Page on a project there called

Some Gave All to honor all those who died because of the Vietnam War...before and

after, military, civilian....There are so many good people out there who are trying to help with the healing, and there is much to be done. I sent one of those sample emails to my Congressman, and will do the Senators also. I do not

know of the Veterans for Peace efforts for a civilian memorial. Will look them

up on the Web?...Thank you so much for your email.

Be well,

Marie Wright
