Memory plaque project website. We really appreciate all your help. >>

Ruth,

You are quite welcome! We in Connecticut are still pressing the last House
Rep. (John Larson) to sign on as co-sponsor for H.R. 3293. I'm sure that
Woody will let you know as soon as that happens (he personally talked to
Rep. Larson on 2/25). In the meantime, we'll all "give it our all".
