Ohio
Ruth,

I sent a note to Marcy Kaptur asking her to BECOME a sponsor of the bill because at her web site I had access to the actualy bill and its sponsors and I did not see her name. Oh well....I will keep my eyes on the whole ordeal. If it gets to the House floor before the summer recess I think it would pass easily. No one want to go to the home districts and have voted AGAINST a memorial or AGAINST veterans.

Vince
