Ruth,

As commander of the Military Order of the Purple Heart I have talked with both our senators and all our representatives. As Veteran of the Year I have sent them all letters.

I have read the article and it expressed the point I tried to get across to Jan. This plaque represents those who died because of Vietnam but their names can't be inscribed on the wall.

My banquet will be on 30 April and I think a good time will be had by all. I haven't heard from Mike but it would be difficult for him to attend.
