CHRISTMAS PRAYER

On the first Christmas, you gave us your Son, born of Mary, God Incarnate. On all subsequent Christmas feasts, we too give gifts which are pale imitations of the Divine Gift. On this day, teach us to give back to you the gift of self, our minds to know you better, our hearts to love you more and our wills to serve you more faithfully. As we picture the Holy Family in a Bethlehem cave, we ask your blessings on our families, on our homes and on ourselves. May the Star of Bethlehem which guided the Wise Men from the East also guide each of us safely home from Vietnam, through the remaining days of life to our eternal home in heaven. Amen.
