Hopefully, on Friday Night, the featured speaker will be Mr. Harry Pearce of Manhattan, Kansas who was in the shell crater with Richard Anderson on February 1, 1944. As a result of Richard's heroic act, Harry is 76 years old and lived a long life. Harry himself has said "he is on loan from God to testify to the horrors of war." He is the last survivor of the three men in the crater with Richard Anderson. Harry went on to fight with the 4th Marine Division on Saipan and Iwo Jima. Harry is a delightful speaker and is all Marine. Harry is in failing health due to emphysema, but will do all possible to be at

our reunion to speak to us. He is at this time, however, reluctant to commit because "October is a long way off."

Richard Anderson's Medals including his Medal of Honor will be on display at his Memorial Service which will be held on Saturday Morning, and at Dinner on Friday Night. Also on Friday night, a check for Richard's Memorial will be presented to Terry Roth of Port Angeles, Washington. We will be hoping to see you in San Diego where it is expected a good time will be had by all.
