DEAR RON -

Sorry that this is only part of the package you requested - THE 20's info you wanted from SANDS History Branch WAS UNAVAILABLE. ACTIONS I called this am & had the file laid out for me to copy, they were closed at 1230 "UNTIL 1400". I waited until 1500 - & "NO SHOW." NO ONE SEEMED TO KNOW "WHY or WHEN?"

I DO KNOW they are terribly short-handed - and it shows

I could NOT break your ATTACHED FILES (WEB page & my Bio) perhaps the enclosed article may explain the mystery -

Sorry for the RUSH - Tight sched on appointments - AND a PRE-OP session AT BELVEDERE NMHC for 10/20 minor surgery - so I'll be "OFF LINE" next week.

Give my warmest regards to all the great RBA folks - Hope to see you (& them all) in Niagara Falls next year (what DATE? I could NOT open that file!)

Mugs Jim's me in Best Nicks.
We'll have on you GREAT work on the WEB page -
- Sincerely - Emmett
