PH-RIA 2-9
 SEATTLE (COPIC) -- A FORMER ROYAL LAO AIR FORCE PILOT CLAIMS UP TO
 50 AMERICAN SERVICEMEN OF THE VIETNAM WAR ARE BEING HELD CAPTIVE
 IN LAOS; IT WAS REPORTED.

IN A COPYRIGHT STORY SUNDAY, THE SEATTLE POST-INTELLIGENCER SAID
 THE FORMER PILOT, SHYFA PHOUNSAVANH, WHO NOW DIRECTS THE LAO FAMILY
 CENTER INC. IN SEATTLE, HAS GAINED HIS INFORMATION FROM THE HUNDREDS
 OF LAOTIAN REFUGEES WHO SEEK SERVICES FROM HIS AGENCY.

"THE TRUTH IS THAT THERE ARE TODAY 40 OR 50 AMERICANS, MOST OF
 THEM PILOTS WHO WERE SHOT DOWN OVER LAOS DURING THE (VIETNAM) WAR,
 BEING HELD PRISONER THERE NOW," SAID SHYFA. "THE PEOPLE COMING TO THE
 LAO FAMILY CENTER TELL ME THAT THE COMMUNISTS FOUND MANY AMERICANS
 ALIVE IN THE JUNGLES AND HAVE KEPT THEM."

SHYFA PREDICTED THAT THE AMERICANS BEING HELD CAPTIVE IN LAOS
 WON'T BE RETURNED FOR SEVERAL MORE YEARS BECAUSE, IN ADDITION TO
 WORKING AS LABORERS, THEY ARE BEING FORCED TO PROVIDE TECHNICAL
 KNOW-HOW.

"THE GOVERNMENTS THERE USE THE AMERICANS TO TEACH THEM HOW TO FLY
 THE AIRPLANES AND HELICOPTERS ABANDONED IN 1975," SHYFA SAID. "THEY
 ARE ALSO BEING USED AS ENGLISH INSTRUCTORS AND FOR OTHER WORK."
 UNTIL RECENTLY, OFFICIAL U.S. POLICY HAS BEEN TO DENY SUCH
 REPORTS. BUT LAST WEEK, THE POST-INTELLIGENCER SAID, STATE AND
 DEFENSE DEPARTMENT OFFICIALS CONFIRMED THAT THEY ARE CARRYING OUT AN
 ONGOING INVESTIGATION INTO SERVICEMEN MISSING IN ACTION.

 N did not mention the information contained in the enclosure to
 Mr. Tucker.

2. On 10 February 1981, Mr. Tucker contacted me and stated that
 he had just spoken to N. Mr. Tucker stated that N told him
 about the interview contained in the enclosure and claimed that he
 had been misquoted in the article. N claimed to have no information
 other than that which had been previously provided by Mr. SOURCE
 N told Mr. Tucker that he had filed a complaint with the Seattle

1. In an attempt to solidify the partial verification of SOURCE's background, Mr. Jerry Nell, USAID, reviewed the video-cassette of ABC's three-part series on the U.S. PW/MIA issue. The segment which was presented by ABC on 20 Mar 81 contained an approximate two-minute interview of SOURCE.

2. After reviewing the segment, which presented several "full-face" views of SOURCE, Mr. Nell stated that he did not know SOURCE. Mr. Nell again stated that he did employ one SOURCE at the USAID Club at Savannakhet, Laos, but that the person presented by ABC did not appear to be the SOURCE he employed. Mr. Nell stated that the wife of SOURCE was also employed at the USAID Club and that she became pregnant during the early 1970's. MEMORANDUM FOR RECORD

SUBJECT: Lao Refugee; SOURCE

1. On 21 Jul 81, SOURCE, an Indochinese refugee, was interviewed in an attempt to verify the claimed USAID employment of SOURCE. I was referred to SOURCE by Mr. Jerry Nell, who is a current USAID official who was formerly assigned at Savannakhet, Laos, the location at which Mr. SOURCE claimed employment. Mr. Nell advised that Mr. SOURCE was formerly involved in the delivery of water to homes of USG representatives in Savannakhet. As this was the type employment claimed by SOURCE, Mr. Nell felt that SOURCE might know SOURCE.

2. During the interview, Mr. SOURCE advised essentially as follows: He was born on SOURCE. He moved with his family while still a young child SOURCE. He worked for USAID in Savannakhet from 1962-1975. He was employed as a vehicle mechanic during this entire period. He never was involved in delivering any water to the homes of USG representatives in Savannakhet. He stated that two men were employed by USAID in the water delivery job and he provided their names, neither of which was SOURCE. He stated that these two men used helpers to deliver the water, but these helpers were not actual USAID employees. He did not know the helpers and that he could not identify them by photograph. He stated that the water delivery truck was always parked in the same spot in the motor pool yard. The truck would usually depart daily at about 0730 to deliver water and would usually not return to the motor pool yard until the end of the work day at approximately 1600.

3. SOURCE was unable to recognize a photograph of Mr. SOURCE or his wife. Further, Mr. SOURCE, who was born and lived in Savannakhet until 1977, was unable to recognize photos of Mr. or Mrs. SOURCE. Mr. SOURCE was unable to provide the current locations of either water truck drivers. However, Mr. SOURCE provided the identity of one former USAID employee who might be able to substantiate the former USAID employment of Mr. SOURCE. This person, who was a maintenance employee, is SOURCE PA.

DEFENSE INTELLIGENCE AGENCY
 WASHINGTON, D.C. 20301SOURCE 0447
 LAOS

Source 0447 reported that in January 1976 he observed five Caucasians at a detention facility in Sam Neua Province, Laos, and that guards said they were American pilots. Source provided limited descriptions of the five persons.

Source was interviewed with a polygraph. The polygraph did not reveal any indications of deception to the relevant questions.

Source claimed to have been arrested and detained by communist authorities because they discovered identity cards showing that he had worked for the U.S. Agency for International Development (USAID). Verification of the USAID employment could have lent credence to the purported arrest which initiated the series of events that led to the alleged sighting.

USAID employee files were checked. There was no record that Source was ever employed by USAID. Several former and current USAID employees, who would have known Source if he had been an employee of USAID, were shown pictures of him. They stated they had never seen him.

Confronted with the fact that there was no record that he was ever employed by USAID, Source changed his story. He asserted that the USAID identification cards in question had belonged to a friend, and that he was temporarily holding them for the friend when they were discovered by security forces. He was unable to supply a name for the friend that could be verified by USAID records.

METHOD

NAME is the only American who returned from confinement in Sam Neua Province. He was held captive from 7 May 1973 to 18 September 1974. NAME reported that he never saw or heard about other U.S. PWs during his imprisonment.

Seeking to corroborate Source 0447's account, DIA analysts interviewed another Lao refugee, now living in the U.S., who underwent reeducation in the Sam Neua area from July 1975 to November 1981. An experienced engineer, he was employed in planning and managing reconstruction and new construction projects in the region. Because of his special skills, he lived with and had direct access to senior Pathet Lao authorities and installations (including detention facilities) in this region. He has been the source of proven accurate information concerning the detention system. He insists that he never saw or heard about any live U.S. PWs in the Sam Neua region.

Although Source 0447 passed a polygraph examination, significant features of his account cannot be reconciled with other reliable information.

MEMORANDUM FOR RECORD

SUBJECT: Interview, : SOURCE

SOURCE was interviewed on 2 August 1984; telephone number SOURCE. He stated essentially the following:

- He was arrested at Thakhek by Pathet Lao forces because he had the American ID card of his friend Siphay in his possession. Siphay, a Montagnard, used to work with Mr. John Tucker with USAID at Pakse, and Siphay told SOURCE to keep the ID card for him because Siphay was afraid that the Pathet Lao would arrest him if they saw it.

- SOURCE was a pick-up truck driver (called a taxi in Laos), and he drove this vehicle from Savannakhet to Thakhek. When the Pathet Lao checked his vehicle, they found that one of the passengers had a weapon in his possession. SOURCE was arrested and sent to the Muang Viengsay area.

- SOURCE allegedly saw five American POWs in 1976 outside Viengsay, some 15-20 kilometers from the Vietnam border.

- SOURCE was riding a truck escorted by Pathet Lao armed guards when the truck stopped in a mountain valley. He saw five American POWs and the Pathet Lao asked him if he knew or recognized the American POWs. He replied no. The Pathet Lao soldier walked to the American POWs and came back after awhile. SOURCE guessed that the Pathet Lao asked the American POWs if they knew SOURCE.

- The distance observed was about 20 meters.

- Afterwards, SOURCE was sent to Muang Viengsay for interrogation, then the Pathet Lao sent him to Ban Angkham, Xepon District, Savannakhet Province. He stayed in the Angkham prison for two years, was released in 1978, and fled to Thailand.

COMMENT: SOURCE does not want to come to Washington because there is no one to take care of his family and he is afraid he will lose his job. He says he has given all the information to the American authorities already, and that if they come back to ask the same questions he is afraid he will not remember everything he told them before. Lastly, he says there is one thing he can certify, that he saw five American POWs by his own eye in Sam Neua Province. If they come to ask many questions, he cannot answer such as exact location, time, day, date, how big or small, what they looked like, etc.

DOI: 871022(RO)
REQS: D-VOP-43468
SOURCE: LAO IMMIGRANT SOURCE WHO HAS GENERALLY
BEEN A RELIABLE REPORTER TO DATE.
SUMMARY: SOVIET AEROFLOT AND OTHER TECHNICAL/ADVISORY
PERSONNEL WERE ROUTINELY ACCOMPANIED BY LAO ARMED SECURITY
PERSONNEL AND MAY HAVE BEEN CONFUSED WITH BEING U.S. PWS UNDER
DETENTION. SOVIETS INVESTIGATING LAO AIR FORCE MIG-21 CRASHES AND
SOVIET SATELLITE COMMUNICATIONS PERSONNEL MAY ALSO HAVE BEEN THE
SUBJECT OF PW/MIA REPORTING. THERE WERE NO AMERICANS AT ANY LAO
AIRBASE IN THE LPDR DURING 1976-85.

TEXT:
1. SOVIET SATELLITE COMMUNICATIONS PERSONNEL IN VIENTIANE
PROVINCE.

A. DURING 1982-83 SOURCE FREQUENTLY WENT HUNTING ALONG HIGHWAY
13 IN NORTHERN VIENTIANE PROVINCE. WHILE HUNTING IN THE BAN THALAT
AREA AT KILOMETER MARKER 70 HE FREQUENTLY TRAVELED TO THE AREA OF
KILOMETER MARKER 62. LOCAL VILLAGERS THERE REPORTED THE PRESENCE
OF A SOVIET COMMUNICATIONS FACILITY TO THE EAST OF KM 62 WHICH THEY
STATED WAS ASSOCIATED WITH SATELLITE COMMUNICATIONS. THE VILLAGERS
ALSO REPORTED THE PRESENCE OF AS MANY AS TEN SOVIETS AT THIS

FACILITY, SOME OF WHOM VISITED NEARBY VILLAGES. THEY STATED THE
FACILITY WAS GUARDED BY ARMED LAO SECURITY PERSONNEL AND WAS A
RESTRICTED ZONE.

B. WHILE HUNTING IN THE AREA OF KM 62 SOURCE NOTED A DIRT ROAD
RAN TO THE EAST OF HIGHWAY 13 AT THAT POINT TO AN UNIDENTIFIABLE
COMPLEX APPROXIMATELY 800-1000 METERS EAST OF HIGHWAY. WHILE
HUNTING LATE IN THE DAY SOURCE OBSERVED A VERY TALL THREE SIDE MAST
WITH A FIXED RED LIGHT ON ITS TOP WITH SOME TYPE OF ANTENNA ARRAY
ON THE MAST. DUE TO THE LIGHTING AND DISTANCE HE WAS UNABLE TO
DETERMINE ANY DETAILS ABOUT THE REPORTED SOVIET COMPLEX AND ITS
ANTENNA MAST.

C. BASED ON PRIOR OBSERVATIONS OF THE TRAVELS OF SOVIET
PERSONNEL, NORMALLY ACCOMPANIED BY AN ARMED DRIVER AND ARMED
SECURITY GUARD, SOURCE PRESUMED ANY SOVIETS FROM THE COMMUNICATIONS
FACILITY WOULD HAVE BEEN SIMILARLY GUARDED DURING VISITS FROM THEIR
FACILITY TO NEARBY VILLAGES. ((VO-PW COMMENT: DIA/VO-PW HAS
RECEIVED REPORTING OF THE REPORTED PRESENCE OF CAUCASIAN PWS AT THE
VILLAGE OF BAN KEUN APPROXIMATELY TEN KILOMETERS TO THE EAST OF BAN
THALAT. LAO RESISTANCE FORCES HAVE REPORTED NO U.S. PWS IN THIS
AREA DURING THEIR FREQUENT FORAYS INTO THIS AREA. SOURCE'S
INFORMATION ABOVE MAY EXPLAIN THE POSSIBLE SOURCE OF SUCH
REPORTING.))

2. PRESENCE OF SOVIET PERSONNEL INSPCCTING LAO AIR FORCE
MIG-21 CRASHES DURING 1980.

A. DURING 1980 A LAO AIR FORCE MIG-21 CRASHED AT BAN KEUN,
EAST OF HIGHWAY 13 IN VIENTIANE PROVINCE. THE PILOT EJECTED AND
WAS RECOVERED SAFELY. THE CRASH CAUSED THE DEATH OF ONE LOCAL
WATER BUFFALO. AFTER THE CRASH SOVIET INVESTIGATORS ACCOMPANIED
BY LAO AIR FORCE OFFICERS WENT TO THE CRASH SITE IN AN ATTEMPT TO
DETERMINE THE CAUSE OF THE CRASH.

B. DURING 1980 A LAO AIR FORCE MIG-21 CRASHED AT XIENG KHOUANG
AIRFIELD DURING AN AIR SHOW INVOLVING THE PRESENCE OF SOVIET
ADVISORS. THE MIG-21 WAS PILOTED BY LAO AIR FORCE MIG-21 SQUADRON
COMMANDER MAJOR BOUNKONG WHO WAS KILLED WHEN HE WAS UNABLE TO
EJECT. AFTER HIS DEATH HE WAS REPLACED BY MAJOR CHANPHENG, A
MEMBER OF THE LAO COMMUNIST PARTY, WHO WAS STILL THE LAO AIR FORCE
MIG-21 SQUADRON COMMANDER AS LATE AS 1985. THE CRASH WAS
SUBSEQUENTLY INVESTIGATED BY SOVIET AND LAO PERSONNEL.

C. IN BOTH THE ABOVE INCIDENTS, SOURCE VIEWED IT QUITE LIKELY
THAT PERSONS NOT FAMILIAR WITH THE AREA MIGHT HAVE SEEN SOVIETS
ACCOMPANIED BY ARMED LAO SECURITY PERSONNEL AND COULD HAVE THOUGHT
THEY WERE U.S. PWS UNDER DETENTION. ((VO-PW COMMENT: DIA/VO-PW
HAS FREQUENTLY RECEIVED REPORTS OF CAUCASIANS SAID TO BE U.S. PWS
IN BOTH THE XIENG KHOUANG AND BAN KEUN AREAS. SOURCE'S INFORMATION
MAY ASSIST IN THE EXPLAINING THE SOURCE OF SOME OF THIS
REPORTING.))

3. PRESENCE OF SOVIET AEROFLOT GROUND CREWS IN LAOS.

A. THE SOVIETS FLEW AN MI-8 HELICOPTER KEPT IN A RESTRICTED
AREA AT WATTAY AIRPORT AND SERVICED BY AN ALL SOVIET GROUND SERVICE
CREW. THE SOVIETS WOULD NOT PERMIT AIR LAOS GROUND SERVICE CREWS
TO SERVICE THEIR AIRCRAFT AND PROVIDED THEIR OWN PERSONNEL TO
PERFORM SUCH SERVICE. THESE INDIVIDUALS WORE BLUE WORK CLOTHES

WITH THEIR SHIRTS HANGING OUTSIDE THEIR TROUSERS. ALL WERE CAUCASIAN. SOURCE BELIEVED HE RECALLED THE MI-8 DOMESTIC FLIGHT CREWS ALSO WORE THE SAME COLORED CLOTHING AS THE GROUND SERVICE CREW. THIS DIFFERED FROM AEROFLOT INTERNATIONAL FLIGHT CREWS WHICH WORE BLUE TROUSERS AND WHITE SHIRTS.

B. SOURCE FIRST OBSERVED SOVIET GROUND SERVICE CREWS AT SAM NEUA AIRPORT IN MID-1976 WHEN HE WAS A C-123 RADIO NAVIGATOR FLYING ON C-123 AIRCRAFT TAIL NUMBER 088 BETWEEN VIENTIANE AND SAM NEUA ON LAO MINISTRY OF DEFENSE MISSIONS. FROM THEN UNTIL OCT 83 HE NOTED THAT THESE GROUND SERVICE CREWS NORMALLY NUMBERED AS MANY AS FIVE PERSONS AND ROUTINELY APPEARED AT LAO AIRPORTS WHEN THE VIENTIANE BASED AEROFLOT SOVIET MI-8 WAS OPERATING AWAY FROM VIENTIANE. SOURCE ROUTINELY OBSERVED MI-8 GROUND CREWS ON TEMPORARY DUTY AT LAUNG PRABANG, SAM NEUA, XIENG KHOUANG, SAVANNAKHET, AND PAKSE AIRPORTS. SINCE THESE AIRPORTS WERE THE BASES FROM WHICH AIRCRAFT MADE ROUTINE TRIPS TO SECONDARY AIRPORTS, SOURCE VIEWED IT AS LIKELY THE MI-8 AND GROUND CREWS WOULD HAVE BEEN SEEN AT ALMOST ANYWHERE IN LAOS AN MI-8 COULD LAND. FOR EXAMPLE, LUANG PRABANG AIRPORT WAS THE BASE FOR AIR OPERATIONS IN NORTH LAOS IN THE AREAS OF LUANG PRABANG, LUONG NAM THA, OUDOMSAI, AND PHONG SALY PROVINCES, OPERATING PRIMARILY BETWEEN LUANG PRABANG NORTH LAOS BASE TO PROVINCIAL CAPITAL AIRSTRIPS. THE SOVIETS USED THEIR MI-8 FOR SUCH FLIGHTS BECAUSE MANY STRIPS COULD NOT ACCOMMODATE OTHER AIRCRAFT.

C. SOURCE BELIEVED IT POSSIBLE THAT LAO NOT FAMILIAR WITH THE AEROFLOT FLIGHT OPERATIONS COULD HAVE SEEN A GROUP OF CAUCASIANS SURROUNDED BY GUARDS AND HAVE MISTAKEN THEM FOR AMERICANS UNDER DETENTION WHEN THEY WERE ONLY SOVIET AEROFLOT GROUND SERVICE CREWS

SOVIET CONSTRUCTION ENGINEERS AT SAM NEUA IN 1976-77.
A. DURING 1976-77 SOURCE ROUTINELY FLEW BETWEEN SAM NEUA CITY AND VIENTIANE CITY. WHILE AT SAM NEUA CITY OVERNIGHT HE AND OTHER C-123 CREWMEN WERE QUARTERED AT A SMALL LPDR HOTEL USED AS VISITING VIP QUARTERS. WHILE AT THIS HOTEL SOURCE NOTED THE PRESENCE OF CAUCASIANS HE CONFIRMED WERE SOVIET ENGINEERS ENGAGED IN SUPERVISING CONSTRUCTION OF A NEW HOTEL AT SAM NEUA FOR THE LPDR. THE GROUP NUMBERED 4-5 AND ALL WORE BLUE CLOTHING SIMILAR TO THAT WORN BY SOVIET AEROFLOT GROUND SERVICE PERSONNEL.

B. SOURCE OBSERVED THE SOVIET ENGINEERS EXIT THE HOTEL AND THEY NORMALLY GOT INTO A PL MILITARY TRUCK AND WERE ALWAYS ACCOMPANIED BY TWO ARMED PL SECURITY PERSONNEL. THE DRIVER WORE A K-54 TYPE HOLSTERED PISTOL AND ONE SECURITY GUARD HAD A SHOULDER CARRIED AK ASSAULT RIFLE.

C. SOURCE MET FORMER LAO OFFICERS AT SAM NEUA CITY OFTEN ASSIGNED THERE ON LABORER PROJECTS DURING 1976-77. SOURCE CONSIDERED IT HIGHLY LIKELY THAT MANY SUCH FORMER ROYAL LAO ARMY OFFICERS MIGHT HAVE SEEN THE SOVIET CONSTRUCTION ENGINEERS ACCOMPANIED BY ARMED PL GUARDS AND BELIEVED THE CAUCASIANS MIGHT HAVE BEEN U.S. PWS UNDER PL DETENTION. ON FLIGHTS INTO SAM NEUA SOURCE ROUTINELY VIEWED THE CITY FROM THE AIR AND WAS FAMILIAR WITH ALL LANDMARKS SURROUNDING THE AIRPORT. THERE WAS NO PRISON AT EITHER END OF THE RUNWAY USED TO DETAIN FORMER LAO GOVERNMENT MILITARY OR CIVILIAN DETAINEES ALTHOUGH THERE WAS A PRISON IN SAM NEUA CITY FOR CRIMINALS. ((DIA/VO-PW COMMENT: DIA HAS RECEIVED PRIOR REPORTING OF THE SIGHTING OF CAUCASIANS IN THE SAM NEUA CITY

AREA, ONE CLAIMING THEY WERE IN A PRISON AT THE END OF THE SAM NEUA AIRPORT.)
 VO-PW COMMENT: SOURCE'S INFORMATION MAY ASSIST IN EXPLAINING THE NATIONALITY OF SUBJECT OF SIGHTINGS OF CAUCASIANS IN LAOS BY INDIVIDUALS WHO REPORTED SUCH SIGHTINGS IN UNFAMILIAR AREAS THROUGH WHICH THEY WERE TRAVELLING.

DATE:

SUMMARY: SOVIET ADVISORY PERSONNEL ROUTINELY VISITED HOUA PHAN PROVINCE DURING 1975-85. THEIR PRESENCE WAS WELL KNOWN TO LOCAL CIVILIANS AND REEDUCATION INMATES WHO WOULD NOT NORMALLY HAVE CONFUSED THEM WITH BEING "U.S. PWS." IN SOURCE'S VIEW, SOME RURAL VILLAGERS MAY HAVE CLAIMED IN JEST THE SOVIET ADVISORS WERE "U.S. PWS."

TEXT:

1. SOVIET CIVILIAN TECHNICIANS BEGAN ARRIVING IN HOUA PHAN PROVINCE STARTING AS EARLY AS 1975. THE TECHNICIANS NORMALLY ARRIVED AT SAM NEUA CITY'S NA THONG AIRFIELD BY MI-8 HELICOPTER AND WERE MET THERE BY HOUA PHAN PROVINCIAL AUTHORITIES THEY WERE VISITING. THERE WERE TWO RECURRING CATEGORIES OF SOVIET CIVILIAN

TECHNICIANS WHO CAME TO HOUA PHAN PROVINCE FROM THE FALL OF 1975 AND CONTINUING UNTIL DEC 85: AGRICULTURAL SPECIALISTS AND MEDICAL SPECIALISTS.

A. SOVIET CIVILIAN TECHNICIANS ARRIVING AT SAM NEUA WERE EASILY

PAGE 03 RUEKJCS5130

IDENTIFIABLE AS TO THEIR PARTICULAR SPECIALTY BASED ON THE MARKINGS OF THE LAO CADRE VEHICLE IN WHICH THEY RODE AFTER ARRIVING IN SAM NEUA. IN ADDITION, THE SPECIFIC CADRE WITH WHOM THEY WERE TRAVELING CLEARLY LINKED THEM TO SERVING AS AN ADVISOR IN A SPECIFIC SPECIALIZED AREA. PROVINCIAL HEALTH AND AGRICULTURAL CADRE ROUTINELY TRAVELED IN NON-MILITARY COLOR JEEPS WITH MARKINGS STENCILED IN LAO INDICATING THEIR SPECIFIC OFFICE. DUE TO THE LIMITED NUMBER OF SUCH VEHICLES IN THE SAM NEUA AREA IT WAS QUITE EASY TO BOTH IDENTIFY SUCH VEHICLES AND ASSOCIATE THEM WITH THE FACES OF CERTAIN SPECIFIC PROVINCIAL CADRE. SOVIET SPECIALISTS NORMALLY APPEARED TO ARRIVE SINGLY. WHEN TRAVELING BY LAO JEEP THEY NORMALLY WERE ACCOMPANIED BY AN ARMED LAO DRIVER AND TWO OR THREE LAO CADRE. SOVIET TECHNICIANS WORE EITHER A BLUE OR KHAKI WORK UNIFORM. THE BLUE UNIFORM WAS SIMILAR TO THE BLUE WORK UNIFORM WORN BY AEROFLOT FLIGHT CREWS.

B. DURING 1981-83 A NUMBER OF SOVIET MILITARY ADVISORY PERSONNEL ROUTINELY VISITED THE VIENG XAI AREA BUT THEY ALWAYS ARRIVED BY MI-8 AT VIENG XAI AIR STRIP RATHER THAN AT SAM NEUA CITY AIR STRIP. THESE SOVIET ADVISORS WERE ROUTINELY MET BY LAO MILITARY PERSONNEL FROM HOUA PHAN PROVINCE OR VIENG XAI DISTRICT HQ. IN THE VIENG XAI

PAGE 04 RUEKJCS5130

AREA THEY TRAVELED BY LAO MILITARY JEEP. THESE SOVIET ADVISORS ALWAYS WORE CIVILIAN CLOTHING. AS WITH THE CIVILIAN ADVISORS, IT WAS EASY TO IDENTIFY THEIR FUNCTION BY THE LAO CADRE WITH WHOM THEY WERE ASSOCIATING AND BY THEIR USE OF A LAO MILITARY JEEP AS OPPOSED TO A NON-MILITARY "CIVILIAN" JEEP.

C. STARTING AS EARLY AS 1975 THE SOVIET MEDICAL ADVISORS APPEARED TO PLACE EMPHASIS ON THE DEVELOPMENT OF TRADITIONAL LAO HERBAL MEDICINE AS AN IMPORTANT ASPECT OF THEIR ASSISTANCE TO LAOS. HOUA PHAN PROVINCE MEDICAL SERVICE PERSONNEL ROUTINELY TRAVELED ABOUT HOUA PHAN PROVINCE WITH THEIR SOVIET ADVISORS TO INSPECT THE STATUS AND QUALITY OF THE RURAL MEDICAL SYSTEM, PLACING EMPHASIS ON THE DEVELOPMENT OF THE RURAL HERBAL DOCTORS. DURING 1984 AND UNTIL DECEMBER 1985 IT WAS COMMON TO OBSERVE THE CIVILIAN JEEPS FROM HOUA PHAN PROVINCE MEDICAL SERVICE TRAVELING ALONG HIGHWAY 6 AND NEAR THE VIETNAMESE BORDER. THIS JEEP ROUTINELY STOPPED BRIEFLY AT THE TOWN OF SOP HAO WHILE EN ROUTE TO XIENG KHO DISTRICT HEADQUARTERS. THE TOWN OF SOP HAO HAD A SMALL LOCAL RURAL SHOP WHICH SOLD BEVERAGES AND SNACKS. DUE TO THE DISTANCE INVOLVED IN TRAVELING FROM SAM NEUA CITY TO XIENG KHO, A STOP AT SOP HAO WAS AN APPROPRIATE BRIEF REST STOP. THE SOVIET MEDICAL ADVISORS AND

PAGE 05 RUEKJCS5130

PROVINCIAL CADRE NORMALLY STOPPED FOR NO MORE THAN TEN MINUTES AT SOP HAO BEFORE CONTINUING ON TO XIENG KHO. D. THE PRESENCE OF SOVIET TECHNICIANS WAS PERHAPS AN ODDITY IN THE EARLY YEARS FOLLOWING THE ESTABLISHMENT OF THE LAO PEOPLE'S DEMOCRATIC REPUBLIC IN DEC 75, BUT AS TIME WENT ON THEY BECAME MERELY ANOTHER PART OF THE LANDSCAPE. DUE TO THE SECURITY PARANOIA IN LAOS, MOST LOCAL VILLAGERS WOULD SEE THE SOVIET TECHNICIANS BUT PAY LITTLE OVERT ATTENTION TO THEM. LAO CITIZENS KNEW IT WAS ALWAYS BETTER TO EXPRESS LITTLE OVERT INTEREST IN THESE TECHNICIANS OUT OF CONCERN SUCH INTEREST MIGHT BE MISINTERPRETED BY LOCAL SECURITY AUTHORITIES. THIS WAS PARTICULARLY TRUE IN THE CASE OF SOVIETS IN CIVILIAN CLOTHING ACCOMPANIED BY LAO MILITARY OFFICERS, CLEARLY SOVIET MILITARY ADVISORS.

E. THE SOVIET CIVILIAN ADVISORS TRAVELING ALONG HIGHWAY 6, OR IN OTHER AREAS OF HOUA PHAN PROVINCE, WOULD NOT NORMALLY HAVE BEEN CONFUSED WITH BEING AMERICANS, LET ALONE A "U.S. PW." THEY ALWAYS WORE THE STANDARD BLUE OR OLIVE DRAB WORK GARB AND, WITH THE EXCEPTION OF THE VEHICLE DRIVER, SUCH GROUPS WERE NOT NORMALLY ARMED. LAO CIVILIAN CADRE WORE EITHER CIVILIAN CLOTHING OR LAO PEOPLE'S ARMY FIELD UNIFORMS WITH NO RANK. FORMER MEMBERS OF THE

PAGE 06 RUEKJCS5130

ROYAL LAO ARMY AND GOVERNMENT UNDERGOING REEDUCATION IN HOUA PHAN PROVINCE GENERALLY WERE ABLE TO RECOGNIZE THE SOVIETS AND KNEW THEM FOR WHAT THEY WERE. SEMINAR INMATES EXPRESSED A CERTAIN CURIOSITY AND INTEREST IN THEM WHEN THEY FIRST ARRIVED IN HOUA PHAN PROVINCE IN 1975 BUT AS THE YEARS WENT ON THE INMATES PAID LITTLE ATTENTION TO THEM. SEMINAR INMATES ENGAGED IN ROAD AND BRIDGE CONSTRUCTION AND REPAIR ON ROADS SUCH AS HIGHWAY 6 ROUTINELY SAW THE PROVINCIAL MEDICAL AND AGRICULTURAL SERVICE "CIVILIAN" JEEPS DRIVING ALONG HIGHWAY 6 BETWEEN SAM NEUA CITY AND XIENG KHO. IN SOURCE'S VIEW, NONE OF THESE INMATES WOULD NORMALLY HAVE CONFUSED SUCH CAUCASIANS WITH BEING EITHER AMERICANS OR "U.S. PWS." THE SAME MIGHT NOT BE TRUE FOR LOCAL VILLAGERS. EVERYONE KNEW THE LAO GOVERNMENT'S STATED POSITION THAT THERE WERE NO U.S. PWS ALIVE IN LAOS AND IT WAS CLEARLY UNDERSTOOD BY ALL SEMINAR INMATES THAT THERE WAS TO BE NO DISCUSSION ON THE U.S. PW SUBJECT WHILE IN SEMINAR CAMP. THIS WAS NOT A SPECIFIC CAMP POLICY, RATHER IT WAS SOMETHING EVERY INMATE UNDERSTOOD. IT TOOK LITTLE EDUCATION TO REALIZE THAT PRISON CADRE PUNISHED INMATES FOR ANY ACTION OR WORD WHICH WAS "REACTIONARY" OR "COUNTER-REVOLUTIONARY." SINCE THE LPDR GOVERNMENT HAD STATED THERE WERE NO U.S. PWS ALIVE IN LAOS, TO HAVE ENTERED INTO A DISCUSSION WITH FELLOW INMATES ON SUCH A SUBJECT RAISED THE INEVITABLE POSSIBILITY THAT A CAMP INFORMANT MIGHT INFORM ON SUCH A CONVERSATION AS INDICATIVE OF SOMEONE WHO WAS CLEARLY A "REACTIONARY." IN SOURCE'S VIEW, THIS ALSO APPLIED TO A SITUATION WHEN SEMINAR INMATES WOULD SEE A SOVIET ADVISOR SUCH AS A MEDICAL SPECIALIST. TO HAVE OPENLY SPECULATED SUCH AN INDIVIDUAL

MIGHT BE A "U.S. PW" OPENED ONE UP TO THE SAME TYPE OF POTENTIAL

PAGE 02 RUEKJCS5131

PUNISHMENT. RURAL UNEDUCATED VILLAGERS, WHILE AWARE IT WASN'T WISE TO DISCUSS SUBJECTS WHICH EVERYONE KNEW WERE TABOO, WERE NONETHELESS SOMEWHAT LESS SOPHISTICATED. VILLAGERS MIGHT WELL MAKE SOME TYPE OF OUTLANDISH CLAIM IN ORDER TO IMPRESS THE LISTENER. SUCH OUTLANDISH STATEMENTS BY VILLAGERS WERE INTENDED TO DO NOTHING MORE THAN TRY TO CONVEY A SENSE OF "SUPERIORITY" OVER INDIVIDUALS SUCH AS SEMINAR INMATES. IN SOURCE'S VIEW, IT WAS NOT INCONCEIVABLE A VILLAGER MIGHT POINT OUT A VISITING SOVIET CIVILIAN TECHNICIAN TO A SEMINAR INMATE AND JOKINGLY STATE THE SOVIET WAS A "U.S. PW."

F. EXCEPT FOR VIETNAMESE CIVILIANS, THE VISITING SOVIET MEDICAL AND AGRICULTURAL ADVISORS IN THE AREA OF SOP HAO WERE THE ONLY CAUCASIAN FOREIGNERS IN THAT AREA CLOSE TO THE VIETNAMESE BORDER. VIETNAMESE CIVILIANS FROM THANH HAO PROVINCE DID COME TO SOP HAO TO BARTER OR SELL SMALL QUANTITIES OF LOCAL PRODUCE SUCH AS TOBACCO AND THERE WERE NO VIETNAMESE MILITARY IN THE AREA FROM LATE 1983 THROUGH THE END OF 1985.

HE HAS BEEN A RELIABLE REPORTER TO DATE CONCERNING OTHER SUBJECTS OF INTEREST TO THE PW/MIA ISSUE. HIS DESCRIPTION OF THE MOVEMENTS OF SOVIETS IN HOUA PHAN PROVINCE IS IN GENERAL AGREEMENT WITH ASPECTS OF HIS DESCRIPTION OF THE MOVEMENT OF SOVIET TECHNICIANS PREVIOUSLY REPORTED BY ANOTHER SOURCE WHO OBSERVED THEM IN PHONG SALY PROVINCE DURING 1975-83.

DIA EVALUATION OF INFORMATION
PROVIDED BY LAO REFUGEE

SOURCE (0447)

SUMMARY: In August 1979, a Lao refugee wrote that he had observed five American pilots in a jail 15 kilometers north of Viengsay, Houa Phan Province, Laos, specifically on 30 December 1975.

DETAILS: On 26 August 1979, Lao refugee *SOURCE* wrote a letter from Thailand to an American citizen in Illinois to report that he had observed five American pilots in a jail 15 kilometers north of Viengsay. This information was never brought to the attention of U.S. Government personnel in Thailand. In August 1980, after he had resettled to *SD*, *SOURCE* prepared an affidavit which contained further details of the sighting, in which he stated that he was held in a prison camp 3 1/2 hours drive away from Viengsay in what he thought to be an easterly direction. At the prison camp during the period of approximately one month, *SC* claimed he observed five prisoners which a camp guard told him were American pilots. The prisoners were described as tall, skinny, dressed in light green clothing which appeared to be Soviet uniforms, and guarded by two armed personnel; one of the Caucasian prisoners wore a gold ring. On 5 November 1980, *SOURCE* was administered a polygraph examination and asked if he had seen five Caucasian prisoners in northern Laos, at Viengsay, and if the guards had told him that the Caucasians were U.S. flyers; no deception was indicated.

ANALYSIS: In August 1984, *SOURCE* was interviewed in his native language by a DIA/PW-MIA analyst. At that time he stated that in 1976 he was riding on a truck near Viengsay, escorted by Pathet Lao guards, when the truck stopped near a mountain; he observed five American PWs and was asked by the guards if he recognized the Americans to which he replied no. Since 1984, *SOURCE* has refused to discuss the sighting further. DIA/PW-MIA has made innumerable attempts to contact *SOURCE* and discuss the sighting information; however, he has not been available. There are indications that he will not be available in the future. Since the early 1980's DIA/PW-MIA has interviewed many Lao refugees who were held in camps in the Viengsay area or who resided there; all state that they never saw nor heard of American prisoners being held in the province. Some of these refugees had freedom of travel throughout Houa Phan Province and would have known of Americans being held there if that had been the case.

The majority of refugees interviewed from Houa Phan Province did state that they had seen groups of Soviets in the area, especially during the period 1975 - 1985, and that the Soviets always travelled with armed Pathet Lao escorts. The Soviets were known to operate from a base in Sam Neua throughout the province, working in agriculture and medicines. Other Caucasians who have worked for years throughout Houa Phan Province have included American Mennonite teams and United Nations Development Program personnel; these personnel usually travel with armed Pathet Lao guards also.

EVALUATION: *SOURCE* was never able to pinpoint the area of the sighting, other than it was near Viengsay, in Houa Phan Province. If he had travelled north of Viengsay for 15 kilometers as he stated initially, he would have been close to Sam Neua City, the base camp area of the Soviets. There is

some doubt as to where the sighting occurred, whether in a jail, a cave, or near a mountain and some doubt as to why he was in the area of the sighting, i.e. being held in a prison, a jail, or travelling through in a truck. It should be noted that determination was made early on that SOURCE lied as to why he was arrested by the Pathet Lao and why he was in the area of Viengsay. On the other hand he passed a polygraph examination when he stated he observed Caucasian prisoners and when he claimed that the guards told him that the Caucasians were American.

Based upon information from the large number of Lao sources who were held in or lived near Viengsay, that there were no American PWs in that area, while Soviets were often seen in the province, it is highly probable that SOURCE observed Soviet advisors working in Houa Phan Province. SOURCE's sighting information is similar to many previous refugee reports received by DIA/PW-MIA in which the refugee source claimed to have seen Caucasian prisoners and to have been told by Pathet Lao guards that the Caucasians were American. The majority of these former reports were determined to have been sightings of either American Mennonite or United Nations Development Program teams, Soviet advisors, or other Europeans detained in a specific area or travelling in the area with armed escorts. In this instance, SOURCE probably observed Soviet advisors working out of a base camp somewhere near Sam Neua City, Houa Phan Province.

DATE OF EVALUATION: February 1990.

Dear Dorothy,

I have received eight refugee reports which you sent to the National League office in Washington. I can only suppose that these are the reports which you and I were going to send to me some time ago.

I have put the reports together with some notes to help me put the information to some use on behalf of our sons. Gladys and I are still very busy completing the analysis of the 449 reports obtained from refugees plus a number of others which arrive almost daily.

1. Borabouth Phanvongsa - English language letter of 20 August 1979, from 2474 Khai Camp, Thailand to Dorothy Bodden. Source reports finding dogtag of Carraway, M.W.; heard rumor of American POWs; gave his information to a Lt. Col. Embassy Officer. Source willing to help. Has there been any follow-up to this source?
2. Vongvichit Khan Say - Two Laotian language letters apparently written on 8 and 18 August 1979. Have these letters been translated?
3. Thong My Vithangavong Aka Thong Mee Vithayavong - (1) English language letter written 25 July (rec'd 4 August). Source reported from Ubal refugee camp, Thailand on American bodies near Sepon. (2) Letter from Dorothy Bodden to source dated 6 August. (3) Laotian language letter with detailed map dated 17 August(?). No translation of this letter. (4) English language letter dated 18 August, (rec'd 30 August). Source states that he has received letter from Dorothy Bodden and has sent her three letters. Source makes appeal for money. Whatever there is of value, must be in the Laotian language section. What information does source have and is there a continuing communication?
4. Phasouk Nonginthirath - Laotian language letter from Ubol, Thailand, date unknown. No translation. What is status?
5. Hasmourack - Laotian language letter apparently dated 18 July, received by Dorothy Bodden approximately 25 July from Ubol, Thailand. A partial translation by Phoxay Phouangmaly indicates that source reported on plane crashes and arrest of Americans (no date). Source gave personal background information and offers help if wanted. Has there been any further contact?
