Dear Charles,

I'm sending you the four eyewitness letters with their addresses and phone numbers. I'm also sending you a bunch of other Bravo 1/3 stuff I thought you would like to have.

After you write me up a letter, please mail it back to me so I can send it in with some other stuff.

My new address is

CHATTANOOGA "TENNESSEE

Thanks so much for all your help. I sure do appreciate it very much. This Bronze Star means alot to me now that I'm older.

Thanks Again,

"Semper Paratus"
