

15 SEPT. 69

Hi. Boss (smile)

I'm glad that you had a great time on leave, yeah while Big Willie was sick we he received a letter from his folks telling us what you stop by well on the 28 of August the company got hit that night on the ridge Sam got killed. Schabber and our new Lt. Chief got his legs all mess up. Big Willie lost a arm. Olgeaby got shot in the head lost his sight and will probably be a vegetable, James got hit in the arm doing ok. Echevarria got it in the leg. All the action was in 2 ploms era. the only part that real hunts I had wake up Sam and told him we had no mount, and he said, probaly some rock apes. me and chief had been throwing grenades down at the pricks we could see them but we could hear them. did Sam decide to knock of the shot. then all hell broke loose. Sam got K.B.C.

the it got shot shot in the head  
he has some col son that over here  
me I did get a scented, he had  
about 8. kulls in front of us. Some  
time next week he are suppose to  
be having memorial services for (Don)  
I sure hope you can read this news  
because I'm not the best writer in  
the world. (Dad) what's about the sea  
they hit me head and foot. All  
I can say I was lucky. So you getting  
ready to make the Big Cruise should  
have a ~~hell~~ ball. I sure wish I was  
there. To ~~God~~ Dad you did not get  
it. You really would have enjoyed  
that well Sir I guess that's

about it glad to hear from

you well miss the letter  
around to the old ppl.

Remember love.

Sincerely, 8/557 Hyman
