Dear Charles,

It's good to hear from you as always. I hope you had a nice Christmas.

Have sales gone up on your book "THE GRUNTS"? If not they should have, because everyone I contact I tell them about your book "THE GRUNTS". Some have heard of it and some have not.

About a week ago, I got a phone call from a Marine I went through boot camp with and who I served with in Vietnam with Bravo 1/3. His name is GERALD TYREE. Doc been trying to locate him for years. He used to be from Dayton, Ohio and now he lives in Reno, Nev. He works for the V.A. there. He says he might be able to help us locate some

Marines from Bravo 1/3. Through
the V.A. he works for. Wouldn't
that be great. I sent him
copies of the Monthly Duty
Roster of Bravo 1/3 for May & Aug.

I'll send you a updated list
of all the Marines I've contacted
so far.

Are you going to be there at
the Reunion? I sure hope you
are.

Well better close for now I've
got to get busy trying to locate
some more Marines.

Write again soon, and thanks
for a copy of the letter you sent.

P.S. Right now my
new house is on
hold, I'm renting.
We're busy building
everybody a house, but
ourselves.
