Dear Charles,

I got your letter today. I'm real glad to hear your going to make it to the reunion.

I'm not doing more tags. I figure someone at the Sheraton will do that.

Gerald Tyree has helped me a whole lot. The V.A. said they located about seventy-two addresses of Marines from Bravo 1/3. The V.A. mailed flyers I made up and Gerald furnished envelopes and ran copies of the flyer and I sent him a check for all the stamps.

I had already located about thirty Marines from Bravo 1/3 before the help from the V.A. I gave Bill Krueger all my names and addresses.

Everytime I hear from someone I mail Bill Krueger their name and address.

I think will have a great turn out.

Looking forward to seeing you.

P.S.

Can you bring several Copies
of your book "The Grunts"?
Several Marines I sure would like
to buy a Copy.

Do you ever find a picture of your-
self from Nam? I'd like to have one
if you do.
