KC, MO.

Dear Charley,

Hope this letter finds you well. I got a letter from Greg Vandergriff (Chattanooga, TN) and he came up with a couple of names with current addresses that I don't know if you have yet.

I decided to get off my duff and see what I could do to help Greg, yourself and me to make that Bravo Co. reunion a reality reality. Greg said that the 3rd Marine Division Association is having their next annual reunion in July 1990 in Tennessee, naturally. He would like to have a reunion of the Bravo members in conjunction with the division proceedings.

I've written to various major military and veteran organizations about placing an ad in their magazines in an effort to contact and hear from our former Bravo brothers for the reunion. So far I haven't heard from these organizations in reference to placing the ads.

So far, I've sent notices to the AMERICAN LEGION, AMVET, DAV, VFW, MARINE CORPS LEAGUE, THE VETERAN (VVA), 3rd MARINE DIVISION ASSOC. magazines.

I didn't place an ad through Leatherneck magazine because Vandergriff placed a previous ad with little response.

Do you have any ideas that we three could use?

The Veteran newsletter is supposed to be a vietnam veterans organization. I hope to have some response from them.

Not much of anything else going on. I'm driving to FT. WORTH, TX. the first week in August to visit my sister. Its been 5 yrs. since I last seen her, time really flies. Of course its been a while (couple of years) since we visited. Sure would like to visit with you again. Hopefully, next year if we pull this thing off.

Chalk ~~up~~ another year for me of service in the police dept. I'm starting my 19th year, this month of July.

Before I forget Charley, what's your T-shirt size? Guess that's about it for now. I'll let you know if I hear anything. Keep me posted if you hear from anyone else. Take Care.

Please give my regards to Akiko. SEMPER FI!

your buddy,

Mike
