Dear Jack:

It was great running into you in Nashville. I expected to see a few more from our time, especially those I had talked to on the phone the week before the reunion. Maybe next time.

I enclose a couple platoon rosters from the first half of 1969, dated on back of first page of each. Maybe these will jog your memory. About a dozen are in the division association, if you're interested in addresses and phone numbers.

I'll give you a call next time I get near Indiana or Michigan. Let me know if you get PCS orders! Coming next is a picture of Sam.

Semper Fi,

Charles R. Anderson
