Dear Sir;

My name is Richard W. Farley; I served with B 1/3 first platoon, as a fire team leader, radioman, squad leader and platoon guide from June 1968 to July 1969. I have tried unsuccessfully to obtain a copy of your book, which was highly recommended to me by Greg Vandergriff. I would appreciate any help you can offer so that I may obtain a copy.

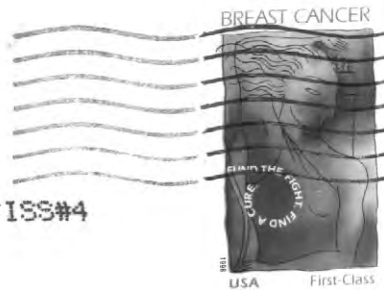

Sincerely,

A handwritten signature in cursive script that reads "Richard W. Farley". The signature is written in dark ink and has a long, sweeping underline that extends to the right.
