Dear Jim:

Thanks for your reply and especially the offer of advance review comments. I will certainly notify the publisher.

We expect to be in the States in June or July, and have budgeted some time and money for travel to the New York and D.C. areas. We hope to look you up during July or August. In preparation, we are deciding what to take with us and what to leave. I have a number of books about Japan you are welcome to, in the history, sociology and behavior fields. If you're interested, just say the word.

In the meantime, if you would point me toward some books about law I would be very appreciative. I do not know as much as I should about law relating to publishing, specifically contracts and copyrights.

Sincerely yours,

Charles R. Anderson
