

June 24, 1990

Dear Lou:

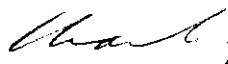

I got your address from Mike McCloskey, who I've kept in contact with since we were in "B", One-Three in Vietnam in 1969. I was a lieutenant in 3d Platoon, then 2d Platoon.

Mike and I and everyone else from Bravo hope you can attend our first reunion since we got back to the world. Our battalion reunion will be held Thursday July 19, 1990 at the Sheraton Hotel, Music City USA in Nashville, Tennessee. The 3d Marine Division Association will have its annual meeting all that week at the same hotel. You can attend both for the same fee of \$25--fifteen to join the division association and ten to register for the reunion. You don't have to stay at the Sheraton to attend; other hotels/motels are available at reasonable rates.

I hope you can make it to Nashville next month. Mike says you've been doing some interesting work in Jamaica and I'd like to hear about it.

Mr. Louis Deciantis

Sincerely yours,
