Dear American Division Veterans Association Member,

According to ADVA National Adjutant records, your annual membership renewal was due September 2005. To date, no payment has been received by the Assistant Finance Officer.

Your renewal notice and membership card were mailed the last week of August 2005.

The ADVA values your continued membership in the association, however if a dues payment is not received before the next newsletter mailing, scheduled for June 2006, your name will be removed from the active ADVA roster.

Dues payments should be mailed to the Assistant Finance Officer at the address listed on the back cover of the ADVA newsletter.

If you did not receive your renewal notice in early September, please notify me at the National Adjutant mailing address listed inside the front cover of a recent ADVA newsletter.

Best Regards,

**Roger Gilmore
National Adjutant**
