c. Attachments and Detachments: Current Task Organization.

d. Assumptions: That an 11th Infantry Brigade fire support base receives an enemy attack which cannot be reduced by the forces at the fire support base.

2. (C) MISSION: 11th Infantry Brigade conducts combat operations with a reaction force initially consisting of one reinforced rifle company to reinforce/relieve/or evacuate any 11th Infantry Brigade fire support base under attack.

3. (C) EXECUTION:

a. Concept of Operation:

(1) Maneuver: 11th Infantry Brigade with designated forces from the unit whose fire support base is under attack conducts an airmobile assault to the vicinity of the contact area to reinforce/relieve/or evacuate the base as directed. The initial company will be followed by the remaining companies of the battalion until these forces are completely committed. Reinforcing units will then be brought in from other battalion-size units under brigade control. Relief/reinforcement will be conducted under the direction of the CO, 11th Infantry Brigade.
