SM B6 to SM6: 1608 1 May 68

Element of B26 tripped a mine at 635987. Suspected M16 "Bouncing Betty" with 81mm mortar round 20 meters away, both detonated.

At approximately 1605 hours, a fire team from B26 started up a hill to recon an RGN. The fire team (4 or 5 men) in a staggered column formation in a space 45 meters by 10 meters. The detonation left a six inch hole. The M16 was approximately 20 meters off the road up the hill. There was a tube like object, suspected of being an 81mm laying by the road. The BB (M16) was tripped, then the 81mm mortar round went off. Dustoff called for 4 US at 1608 and completed at 1624. Location for dustoff 635987.

Following individuals were evacuated:

SP4 Payne: Lost both legs.

SGT Stover: Injuries unknown.

PFC West: DOA, 1830 hrs 1 May 68

PFC Bergeron: Minor leg injury.

B. 142145

C. (1) 583947 (2) SAME

D. Mess kits with Kit Carson picked up one male village chief who would take them to VC location. In first house they found (1) female VCS age 15. 2nd house they found (3) female VCS's ages 15, 16, 17; (1) VC male age 61 who was a supply source for VC and who had (3) sons who are also VC; and (1) NVA male age 30. The NVA suspect had a map of Gator showing artillery, mortar and bunker locations. He also had notebook with a 5x7 picture of Joseph Stalin and chinese writing. He also had a document congratulating him on PF and US killed; a document stating he had completed a military school in Hanoi; and a list of VC and their personal history. Another female VCS age 18 picked up by Kit Carson.

E. Prisoners are now being questioned at CAP 6 and will be transferred to Binh Son in the morning, except for the NVA suspect who will be brought to Gator with documents.
