SUMMARY: Co. A continued to secure LZ Prof. Co. A 3rd plt closed the LZ from the south at 0830 hours after departing their night logger at 0605 hours. Co. B continued operations northeast of LZ Prof. Co. B 2nd plt after departing their night logger position at 0610 hours patrolled from grid BT 214097 to the northwest receiving sniper fire at 0845 hours from grid BT 210100. The sniper fire resulted in two US packs KIA and four US packs WIA. Co. B 2nd plt returned small arms fire. A search of the area revealed two NVA KIA (ages 25 to 30 years) wearing green uniforms and NVA type helmets. Captured were one AK-47 SN: EC4856M, one poncho, and one canteen. A third NVA sniper evaded into a tunnel. Hand grenades were thrown into the tunnel resulting in one additional NVA KIA. The NVA was wearing a green uniform with negative equipment. Dustoff was called at 0910 hours and completed at 0955 hours for the four WIA. The two KIA were later extracted by C&C and taken to graves registration in Chu Lai. Co. C operating northeast of LZ Prof. 2nd plt element at 1220 hours at grid BT 201099 spotted 3 VC/NVA at grid BT 217112 to the east. Arty was processed into the area with negative results. The proximity to the enemy was 2000 meters therefore clothing and equipment of enemy could not be distinguished. Co. C 2nd plt at 1605 hours at grid BT 203099 spotted two to three NVA at grid BT 203107 wearing green uniforms. Gunships were requested at 1710 hours. Banchee 3 on station at 1725 hours was diverted on a priority mission. Arty was processed into the area resulting in one secondary explosion. Also observed was one NVA KIA by Arty in a rice paddy. Co. D pushed from its night logger to grid BT 193070 east of LZ Prof. At approximately 1800 hours at grid BT 189046 Co. D found one bunker 6x6x6 feet. with no overhead cover, with a tunnel about 10 feet long running into an underground room approximately 5x5x5 feet. Also found were four 2 man bunkers with no overhead cover, with 3 foot tunnels into the side of the mountain. 12 cannisters and 7 cassings for 75mm RR were also found. Recon element remained on LZ Prof aiding in its security. Co. C 1/501st was released and Co. B 1/502nd became OpCon to 1/46th. Co. B immediately assumed the role of securing A battery at LZ Prof.
