BATTALION NEWS

ON THE FIRING LINE

Action in the 3d Bn, 1st Inf AO for the period 13-20 September:

Working north of the Song Tra Khuc River, the 2nd platoon of Alpha Company turned up 100 gal of rice and 50 gal of corn buried in a field.

Several days later, the company apprehended a military aged male who SGT Andres Vega (Caguas, P.R.) had found hiding in a tool shed. The suspect, later identified as an NVA platoon leader who had been recruiting in the area, led his captors to where six 55 gal drums of rice had been stored. A further search of the vicinity uncovered four additional drums of rice. Later in the afternoon, the company discovered a bunker containing two 55 gal drums of rice which brought the amount captured since that morning to well over 6,000 lbs. A VC was killed after he ran from a nearby bunker and began swimming across the river.

The following day, Alpha added another 175 gal of polished rice to her list. The 3rd platoon captured 4 VC with packs containing explosives, fuzes, scrap metal, two Chi-com grenades and medical equipment. In a later action 2 VC were killed in a tunnel while a third was captured nearby.

Patrolling farther to the west, the 2nd platoon of Alpha climaxed a very eventful week with 3 VC KIA and two 3-ban panasonic transistor radios CIA.

Bravo Company found 1 NVA and 1 VC/NVA KIA west of Nghia Hanh. CIA were 2 AK-47s, 5 magazines, 2 Chi-com grenades and 4 medical dressings.

At Nghia Hanh, children turned in to Bravo Company the following

munitions: 20 Chicoms, 23/105 rds, 1/82 recoilless rd, 7/60 mm mortar rds, 40 M79 rds, 1 bouncing betty, 2 CS grenades and 3 satchel charges.

Working in the mountains west of Nghia Hanh, the 1st and 2nd platoons of Charlie Company reached a bunker complex which warlords had spotted the previous day. The complex consisted of 75-100 fighting positions several hootches in various stages of construction, grass and wood stacked for future use along with food and utensils. Several of the bunkers had been used recently and the fact that enemy personnel were still in the area was verified by the sporadic contact which the company was to have during the week.

While moving into their NDP just south of OF1, the 2nd platoon of Delta Company engaged 2 NVA resulting in 1 KIA and 1 CIA. Later in the week, the platoon was credited with another KIA just prior to finding two 55 gal drums of corn buried near a hootch.

STANDDOWN ROLLS AROUND

The 3rd Battalion Legionnaires can once again look forward to three days and nights of cold beer and soda, hot meals and clean uniforms, entertainment and relaxation as the facilities of the 11th Brigade Retraining Area are made available to each company during stand-down. In addition, members of the particular companies will have exclusive access to the PX at some designated time and the opportunity to place MARS calls home. Hopefully this editor will have the opportunity to talk with personnel from each company in order to better communications between this paper and those in the field.

## DOUBLE TIME

## Recent Arrivals Return to the Fold

SSG Lenwood Mangham (Cayce, S.C.) a platoon sargeant with Bravo Company was a member of that same unit when it first came to Bronco from Honolulu back in December 1967.

SP4 Cortez Kelly (Atlanta, Ga.) who was with Delta Company when it came over, said that their old AO was around Mo Duc with their FSB alternating between LZ Dragon and LZ Liz.

## Two are better than One

The primary reason SP5 David L. Struemke (River Falls, Wis.), HHC, volunteered to come to Vietnam was to be near his brother WO1 Charles W. Struemke, 174th Aviation Company.

The following have been recommended for promotion during the month of September:

## To be SGT

Co A	Paul A. Leo
	James T. Peters
	Nathaniel Stokes
	Michael J. Weeks
Co B	Robert T. Blazer
	Michael Helmer
	Benny C. Hill
	Don Vaden

SP5 Struemke, a mechanic, must keep battalion vehicles operable while his brother, who is a pilot, must keep a utility ship airborne and on schedule. They see each other at least several times a week and WO1 Struemke has even had his brother as a passenger on occasion. The two are hoping that they can arrange to be on the same "Freedom Bird" home for Christmas.

## SEPT. 25--ARMED FORCES' VOTING DAY

Washington (AFPS)--September 25 has been designated Armed Forces Voting Day.

In a memorandum, Deputy Secretary of Defense David Packard said, "The right to vote is a product of freedom which was cherished by the American colonists and won in our Revolution. "Every eligible citizen has the obligation to express himself through his ballot. We, as members of the United States armed forces should exercise this fundamental right and fulfill our obligations in this important way."

## CORRECTION\*\*\*\*\*

In the August 28 issue of this paper ("MISS AMERICA USO SHOW") the Miss America who performed at Phu Bai was incorrectly identified as Debbie Shelton. Information later made available through Army publications clearly indicated that the charming Miss was Pam Eldred...
