DCS 200-108C-67Date Shot 15-17 Aug 67Location VietnamDate Screened 16 October 1967Photographer Robertin/Abbott

REMARKS:

As previously noted, Abbott's viewfinder was off. Abbott, soft focus in some scenes. Coverage seemed to jump from subject to subject without really covering anything. Shots of men relaxing with beer better to stay away from. Will cut into short story. In Roll #2, scene 1A with 3 takes framing on LT, bad. You cut his hands in all takes.
