DCS 200-128C-67VN Date Shot 15 Sep 67

Location Huey Cobra Attack Helicopter Date Screened 4 Dec 67

Photographer Abbott

Aerials - you are too far away - should get closer to subject. Very good
CU's of spectators, also good CU's of interior of helicopter.

Photo taken ~~Rodriguez~~, Abbott

REMARKS: "Huey Cobra"

Rodriguez's footage blank. Either failed to thread the Arri "BL" or shipped wrong 400 ft. roll. Abbott's footage - exposure good. Possibly enough for a short news type release.
