Dear John,
Enclosed is my
membership renewal.

In our own small way
we are promoting recognition of
War Dogs.

A Veterans' Day parade was
revived 3 years ago. My Robberman
Linchers have walked each year.

I have told World War II Vets
about the part played by war
dogs; loaned the book by Bill
Lutney "Always Faithful" and
"War Dogs" by Michael Lemish
plus the war dog film produced
by Nature's Receipt. Effective
January '02 all newsletters
from your group will be
donated to the Veterans Home
library.

My 7 year old Kobe bitch
visits the Vets Home weekly.
She brings joy and touches those

who have not previously responded in the Alzheimer's ward.

At 4 months my puppy, Ben, is learning to replace Wishes in the future.

In addition to my renewal check I have included pictures from November 2001 parade.

1. Ben & Wishes surrounded by deaf children on the parade route.
2. Grand Marshall, Tom Osborne - Congressman & former Nebraska Husker Coach; Sgt Mike Ferguson of N. A. Hospital; Caroline Buettner and yours truly with Ben (hip ears taped) and Wishes.

If you have suggestions for addition activities please write or call.

Sincerely,
Beverly Seilstad
