Dear Jan, Pam, Peggii <sup>and</sup> Diana

Hi there you beautiful bunch of girls! You just don't know how great your tapes are! Really really morale boosters. We (Emu, Chuck Elliott (L.A.), Vic Kreisly (K.C.), Rick Freeman (Detroit), Pete Leight (Chicago), Aldice Jackson (bama) Leo Wessell (Kansas) et. al.) have a ball sitting around drinking a little listening to your tape and making them back to you. Thank you! Thank you! Thank you!

Anyway — I just bought a 1970 MGB Roadster, BRG, chrome wires, stereo, etcetra. It'll be delivered in Chicago in July and I'll pick it up there. # 274, for the bomb. I was thinking how great it would be to really meet you all. We could all get together and drink beer, eat pizza or do pot. You know kind of a free form happening. Besides I like girls! I don't suppose someone will actually be around the 'bug this summer.??? I mean it's just an idea. Guess I sound

like an ambitious Ruddle Valentine  
but really I'm not. I just think it  
would be a group of laughs. Anyway?  
Maybe it wasn't such a great idea  
 huh? OK. so we'll get some more  
guys!

We're going to try to get a flick  
of the (No-) Class of '70 one of these  
days to send and were hoping  
for about half dozen or so from  
y'all.

Well, I just wanted to say  
"hi" so I'll close. I'd send some  
sunshine, but you know the  
mail reg's!
