

Dear Mr & Mrs McCobb — Apr 24

Hi beautiful people! I got the great news last week. I think it's not so great for me, but that's a long story! I only hope I can get my leave extended so I can come to the wedding. I'm really looking forward to seeing you all again. I guess that's kind of selfish, because you're always so good to me. I hope you'll let me take the whole family out. Though when I wouldn't know. Funny things happen when you've been away for 2 1/2 years.

I so hope that Janice will be ungodly happy. She's the type who could make a wonderful thing out of a marriage.

Did you tell you that I am going to California from here? Riverside

to be exact. I'm real happy with it. Such a variety of experiences to be lived in that area of the country!

Love, see close for now. Tell Mike and Sara "hi" for me. The best to everyone.
