HANAUMA BAY is one of Oahu's finest beaches. Pools formed by coral reefs in this sunken crater offer excellent, safe swimming.

Left St. Lewis at 4
this morning (Sun) stopped
here at Hawaii for 30
minutes to refuel. I
might be going to Cameron
Bay my orders don't say
and the plane isn't scheduled
to stop at Long Beach. But
I might change planes at
one of the stops, will write
when I get settled
