

WAKE ISLAND AERIAL VIEW

POST CARD

we stopped here after Hawaii  
for 20 min. rest stop in  
Okinawa then to Comaden  
Bay. I saw Steve Longworth  
a guy I went to high school  
with in the airport in Wash.  
he's a PFC in the army but  
I didn't have a chance to  
talk to him because they  
loaded up so fast. We're flying  
on a commercial jet with good  
food + movies but it's all  
military personnel on the  
plane besides stewardess  
Allen
