NOTICE to SUBSCRIBERS to: NEW ALBANIA ALBANIA TODAY

It is time now to RENEW your subs for 1977. As you know, Tirana accepts subs only on a calendar year basis, and subs must be renewed at the end of the year.

Most of you have received only No. 3 or No. 4 of 1976 so far, but the balance will come along in due course. Those of you who are subscribing for the first time, should realize that the first issue (Jan.-Feb. 1977) will normally arrive about May. There is that much time lag for printing and delivery from Albania by surface mail.

If you subscribed late in the year 1976 and therefore missed a number of issues, we will give you a credit for the proportional amount missed, to apply toward your renewal. The credit is indicated below.

Please furnish an address that is as permanent as possible. It is rather troublesome to change addresses, and this usually results in losing some copies. If you are giving us a new address, please include the old one together with ZIP codes.

It sometimes happens that some subscribers receive their copies in the wrong language, due to problems in the mailing department. If this should happen to you, please send the unwanted copy to our mail box above, and we will try to replace it with the proper language.

If you are subscribing for the first time to 1977, and you have no way of picking up the remaining issues of 1976, we may be able to send you one from here, since we get a small bundle of extras. Send us a dollar for each issue, which will cover the cost of the magazine plus mailing.

Please send in the coupon below with your check.
