OFFICE OF
GARNER TED ARMSTRONG
Vice-Chancellor

Dear Friend:

Thanks for your recent contribution.

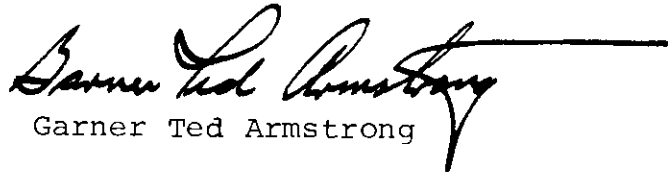

Every month skyrocketing inflation bites deeper into the resources we have available for accomplishing this Work. Yet every month world conditions make me more acutely aware of the vital need of perpetuating Christ's message of hope for a better world tomorrow.

Now is the season when millions focus on "giving" to others--exemplifying, they think, the example of the "wise men" toward Jesus Christ.

If you haven't read our unique booklet, "The PLAIN TRUTH about CHRISTMAS," you might be in for some surprises.

Send your request today and thanks, once again, for your freely given contribution.

Sincerely,

Garner Ted Armstrong

P.S. Use the enclosed envelope to request your prepaid copy of "The PLAIN TRUTH about CHRISTMAS."
