Dear Mr. Volonte:

Thank you for your interest in our organization. In response to your request about important functions of our organization, I can say that we established it to be informative, factual and historical. I am certain that you are aware of the unjustifiable gross distortions in the news media about the Arab Nations and its people. We established our organization in 1967, hoping that it will help the enlightenment of Americans who show interest in the subject.

I am enclosing two of our newsletters for your review.

Sincerely

Raymond P. Totah
Secretary
