The average church-goer gives \$31.33 a month, or \$7.83 a Sunday to his church. There is not an Atheist family in the United States which cannot match that. You have more brains, better education, better skills and hence better employment. And — you recognize the dangers inherent in this situation.

Dear Madalyn and the folks at the American Atheist Center, **I am with you.** I realize the dangers of a theocracy, and I will help in a continuing way.

I will send \$        a month for a year to help arm the American Atheist Center. My first contribution of \$        is enclosed.

I wish to join the American Atheists. I enclose \$15.00 for one year membership. Please send me the address of my closest chapter.

I want to keep abreast of information concerned with the fight. I enclose \$20.00 for one year's subscription to the *American Atheist* magazine.

I want to join and subscribe to the magazine and take your bargain special of both for \$30.00.

I have some special skills to help. My letter is attached.
