When you join the national ACLU, you automatically become a member of the local ACLU affiliate in your area. As a member, you receive the newsletter, **Civil Liberties**, and your choice of other ACLU publications.

If you receive more than one copy of this appeal,

you can help ACLU stretch its promotion resources by giving extra copies to concerned friends. We try to prevent more than one mailing to each person—but to eliminate duplications of your name from all the mailing lists we use would be very costly, and our budget is limited.

ACLU uses a multitude of mailing lists to reach as many potential members as it can. The more involved you are in the search for social solutions, the more likely you are to appear on more than one of these lists.

Please bear with us and do what you can to help by giving interested friends your extra copies of this promotion. Thank you for your understanding and your continued support.
