## OPERATION BLINDFOLD

Dear Friend:

Write to your Congressman! Write to your Senator! How often have you heard this exhortation? How often have you responded?

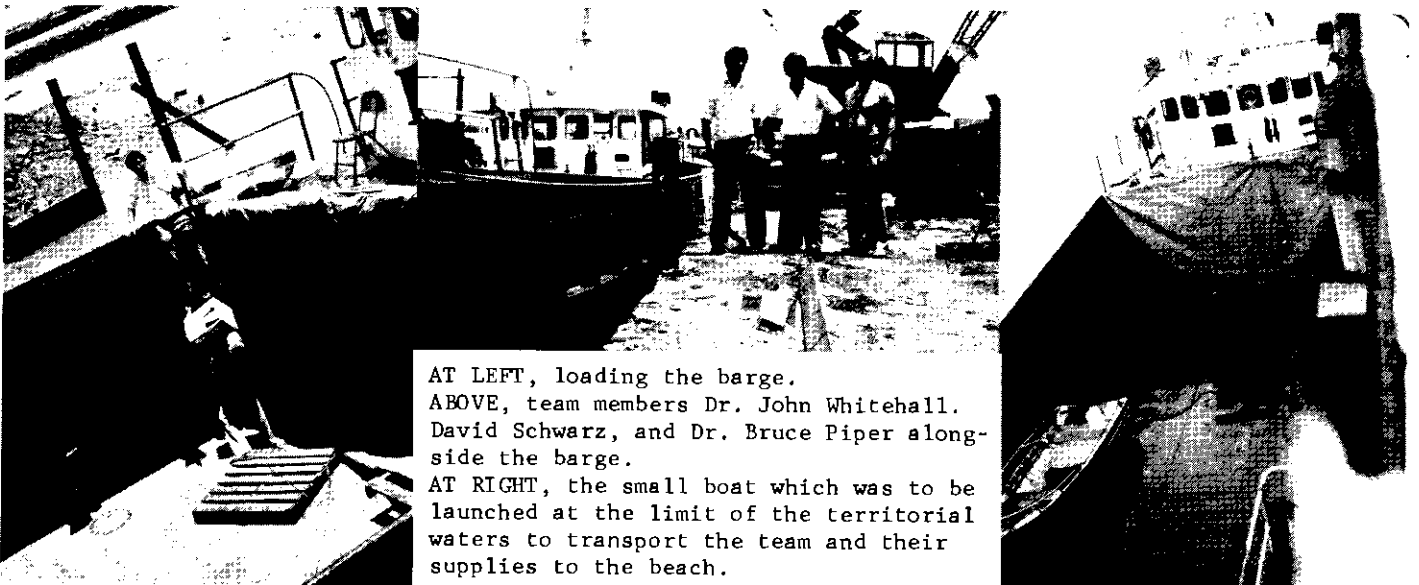

A situation exists in Congress where a letter from you can be of great value. While communist power increases dramatically, both within the U.S.A. and throughout the external world, the campaign to destroy all agencies that investigate the activities of the subversives is nearing complete success. The Subversive Activities Control Board and the House Committee on Internal Security no longer exist and the F.B.I. and the C.I.A. are attacked and shackled. The Senate Internal Security Subcommittee is threatened with extinction.

The plan is to deprive it of funds to operate. If this plan is successful, the U.S.A. will be blind and helpless while communist attacks ravage its strength.

Write to members of the Senate Rules Committee and ask them to grant the Senate Internal Security Subcommittee its budget request. Committee members include these Senators: Howard W. Cannon (Chairman), Claiborne Pell, Robert C. Byrd, James B. Allen, Harrison A. Williams, Jr., Dick Clark, Mark O. Hatfield, Hugh Scott, and Robert P. Griffin. The address is: Senate Rules Committee, Senate Office Building, Washington, D.C. 20510.

Write also to your own Senators and urge them to do all they can to assure full funding of the subcommittee. Send a copy of your letters to Senator James Eastland, Chairman, Senate Judiciary Committee, Senate Office Building, Washington, D.C. 20510.

In our February 1 newsletter, I described the valiant attempt of a team led by Dr. John Whitehall to take food and medical service to the refugees in East Timor. These pictures were taken prior to departure:

AT LEFT, loading the barge.  
ABOVE, team members Dr. John Whitehall, David Schwarz, and Dr. Bruce Piper alongside the barge.  
AT RIGHT, the small boat which was to be launched at the limit of the territorial waters to transport the team and their supplies to the beach.

We are seeking ways to assist the anticommunist forces in Angola. Communist ideology, as well as communist arms must be combated.

The battle is all around us. We cannot escape it. To do nothing is to give passive assistance to the communists. Inform yourself and inform others. Send the accompanying newsletter to your friends and to community leaders. We will send you all the copies you can use.

Financial support is imperative. Please send your contribution so that we can continue this work.

With Christian love,
