April 1, 1979

Dear Friend,

I wish there were some way in which words could convey the magnificence of the spectacle, the fragrance of the fellowship and the ardor of the inspiration that the thousand, who attended the Crusade Silver Jubilee Banquet, enjoyed. It was a rare and beautiful occasion, and it will live and glow in memory for Lillian and me as long as we live.

To those who participated in any way in the creation of this event--by organizing, by presence, by letter, by telegram, by gift--we say a sincere "thank you."

In my wildest dreams I had not expected such an outpouring of appreciation and affection. Many who could not come in person sent letters and telegrams. I am now faced with the Herculean task of attempting to write a personal answer to the thousand letters received. I ask that you will be patient and grant me a little time to reply.

Here are two out of many hundreds of messages received by Dr. Rogers:

In every community across America, there are hundreds of Americans who understand the evil of communism because of the expert diagnosis that Dr. Fred Schwarz has provided for the last 25 years. We are all grateful for his quarter century of dedication to the cause of truth and freedom.

If the leaders of the free world would study Dr. Schwarz's diagnosis of the disease of communism, and adopt the remedies he prescribes, we would be able to win victory over communism. We ask God's blessing on Dr. Schwarz because of the great contribution he has made to the cause of freedom from communist tyranny. (Phyllis and Fred Schlafly)

Elaine and I are very disappointed that we won't be present to help you honor one of the significant figures of the 20th Century.

Most of what I know about Communism, I've learned from Dr. Schwarz and the same is probably true for millions of others. When the Communists are finally defeated and freedom reigns over this earth, Dr. Fred Schwarz must receive a large part of the credit. Also I think we should all remember that his wife and children deserve our thanks and deepest gratitude. His family had to make tremendous personal sacrifices in order for Dr. Schwarz to be with us most of the time for the past 25 years.

I thank God for this man and his family. (Elaine and Richard Viguerie)

It is necessary to descend from the ecstasy and inspiration of the mountain top to the confrontation and toil of the plain. The communist enemy must be confronted, exposed, and, by God's grace, defeated. The order for the day is study, activity, courage and sacrifice.

Obviously, the Crusade must be supported financially. I have asked friends and supporters to consider making a monthly contribution. Some have responded and my thanks to them are unbounded, but many more must respond to ease the burden of securing \$50,000 each month.

The banquet was a heavenly occasion, but the best is yet to come. St. Paul wrote: "Eye hath not seen, nor ear heard, neither has it entered into the heart of man the things which God has prepared for them that love Him."

Rejoicing in hope,

Fred Schwarz
