Dear Sample Seeker:

Here is the latest issue of Community Press Service, sent to you in response to your request.

If you like CPS and wish to continue getting it, you must write us requesting as much.

If you are part of a community organization or a community or work-place alternative newspaper, you can receive CPS free of charge. We ask only that you give "CPS" credit for anything of ours you use in a publication and that you send us one or two (preferably two) copies of any regular publication you produce. (We like to see what alternative newspapers are doing, often with an eye to reprinting in CPS articles and graphics of interest. We also like to see if and when papers use CPS items in their papers.)

If you are an interested individual, unaffiliated with an organization and/or paper, we ask that you send us \$6.00 a year to cover postage.

Establishment newspapers who receive CPS should also pay \$6.00 a year to cover our postage costs, plus remit payment for items actually reprinted, in accordance with whatever fee scales they may have set for such usage.

Yours truly,

Will Soper
