

COMMUNITIES

a journal of cooperative living

communal living & working
cooperative childcare & education
spirituality in community
commune directory

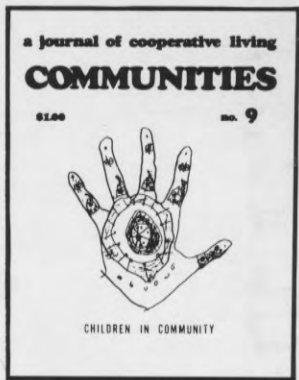

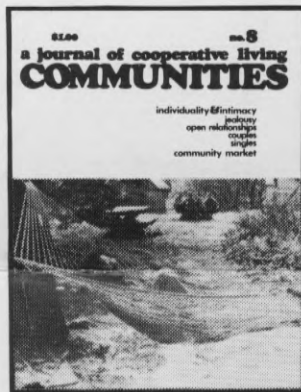

COMMUNITIES is for us to share information, ideas, and energy;

for all of us to learn from the experiences of those who are experimenting with cooperative lifestyles; for us who live communally to help you find your way to living in community.

share with us.

COMMUNITIES is published bimonthly by the members of the Community Publication Cooperative, an association of intentional communities working for social change.

you can subscribe to **COMMUNITIES** for \$6/yr. (six issues) or you can buy a current issue for \$1.00 or you can send for a free back issue.
