Gentlepeople:

We on the COMMUNITIES staff are now engaged in an intensive effort to let people who are searching for alternatives know about what we are doing. After a year and a half of publishing, we are finally feeling good about the quality and usefulness of COMMUNITIES. (If you've never seen our magazine, write and we'll send you a copy of our current issue.)

I'm hoping that you'll post the enclosed poster where people who come into your place will be likely to see it. If you do this you'll certainly be doing us a big favor, and I think you'll be doing a service for all those people who are looking for information about communal living & experimental cooperative communities.

If you are offering a national service and would like to be listed in our RESOURCES section, please let us know. I hope that we can cooperate in a way that feels good to all of us.

in love and community,

*David*
