# Information About The Application Form

1. Please fill out all lines, printing clearly all the information on the application form.
2. Special attention should be given to the line marked "blood type". If you are not sure of your blood type, it should be left blank or marked with a question mark.
3. The 25c photo booths usually found in 5 & 10c stores, bus depots and amusement parks, makes an excellent photo for the ID Card. For best results, push the curtain to one side to get a white background.
4. When you sign your name to the application form, you hereby give us permission to make a facsimile copy of your signature to use on your ID Card.
5. If the name and/or address on the ID Card is different from where you want it sent, please specify in the space marked Send to:, please include your zip code.
6. If you want more catalogs and application forms, please let us know how many you can use.
7. When you place an order with us, please send cash or money order only. For faster service, send a stamped self-addressed envelope.
8. It is very important when you fill out the order blank side that you put the correct item numbers and description of items that you want.
