

a provocative .. questioning collection
of responses, pro and con, on the Quaker
study, Search for Peace in the Mid-East

TOWARD MIDDLE EAST DIALOGUE

Here is a window through which one can
find the array of conflicting opinions
whose understanding is essential if we
truly seek to build a spirit in which
there will be no more assassinations or
bombings ...

Included among the many articles are
selections from

Christianity & Crisis	New Outlook
Wall Street Journal	Maccabee Report
Palestine Affairs	Baghdad Observer

published by

Committee on New Alternatives in the
Middle East

-a cooperative effort of national peace
and religious groups working towards a
nonviolent resolution of the conflict.
