Dear Charlie -

Just got your note today. Glad to know that people in Va. have heard of the project. Hope I can ~~not~~ answer some of your questions.

I think it would be really good if you could come ~~Thursday~~ <sup>Tuesday</sup>, Nov. 23, which is D.C.'s day. If you come in the night before, we are providing housing & have a housing center at St. Stephen, 16th & Newton N.W. If you come the next morning, our orientation starts promptly at 8:30 am. at the Capitol Hill Methodist Church, 5th & Seward Square. The phone number at both these churches (which are ours) is 547-8130.

Right now, collateral is ~~the~~ set at \$50. Most people so far have not had to pay bail, but rather, have gotten out on personal recognizance which means you must 1) promise not to participate in any more illegal actions between then & your trial date & 2) go back to your hometown. If you pay collateral, you get out the same day you're busted. If you decide to wait for arraignment, you can get out the following morning.

If you have any more questions,  
feel free to call us at 547-8117/8.

It would be really great if you could or-  
ganize some people to participate, or even  
get a meeting together of people interested. We'd  
be glad to send someone out there to speak.  
We also have plenty of buttons or posters  
& leaflets that need distribution to.

Thanks for expressing an interest.  
It's nice to know people care. Take care.

luv,  
lee
