

# There is no way to peace...peace is the way

For your messages  
of love and friendship...

The Fellowship of Reconciliation offers for the 31st year a wide selection of greeting cards suitable for Christmas, Hanukkah, and other times. We have worked hard to produce peace-oriented cards we think you would like to send--with consideration for both quality and cost. Generous quantity discounts bring prices still lower.

There are eleven new cards...warm, attractive, affirmative. They include postcards and minicards as well as the larger sizes. Our designs are distinctive and diverse--from works contributed by contemporary artists to museum treasures to folk creations. Apt texts have been chosen from the writings of Jane Addams, Albert Schweitzer, Abraham Heschel, and others. (Several new peace-related gift items are also listed in the catalog.)

And when you order F.O.R. cards, you will have the satisfaction of knowing that you are promoting peace in more than words and pictures. You will also be giving tangible support to the world-wide work of the F.O.R.

If this program appeals to you, why not take another step and double its outreach? Ask a friend to join you in placing an order. Better yet, inquire now about how you or a group to which you belong can sell F.O.R. cards and gifts locally.

In fellowship,

*Olcutt Sanders*
