Dear Members and Friends,

Resolutions calling for Peace Education within the Episcopal Church and expressing the mind of the Church on general amnesty, nuclear and conventional arms sales, and other needs for world peace were passed at General Convention. We believe the actions of Convention show a determination to face and act on hard issues. Such actions provide as well tremendous opportunities for work by the Episcopal Peace Fellowship.

In the months and years ahead we will be developing materials to aid individuals, parishes and diocese which are trying to live out the Gospel. How can we assist you? How would you like to participate in this work? We are, through it all, our own curriculum.

Growing and deepening as a force for peace and justice within the Episcopal Church requires money. And, that EPF is short on. EPF members are asked to contribute \$15 per year (\$5 for those on limited income). Membership is not determined by financial contribution but by sharing the goals and convictions of the Peace Fellowship. However, many activities of the EPF do depend upon your gifts. Please send your contribution for 1977 or a pledge to give later.
