A NOTE TO MEMBERS AND SUPPORTERS OF THE FELLOWSHIP OF RECONCILIATION

Dear Friends:

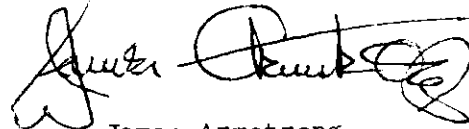

It was our privilege to be part of the United States Study Team on Religious and Political Freedom in Vietnam of which you have heard so much. In that venture, both in the advance preparations here and in Paris, and in South Vietnam itself, we were greatly helped by the contacts developed and the work done over the past few years by the Fellowship, as referred to in the accompanying report.

We believe that the Team's trip and subsequent reporting have been important factors in the struggle to end the war in Vietnam, and are appreciative of the Fellowship's significant contribution to that struggle. Knowing the difficulties of all such voluntary organizations to subsist in these days of rising costs, we commend the Fellowship's continuing efforts to your generous support.

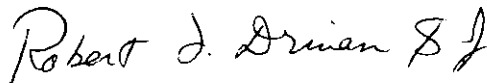

Sincerely,

Anne Bennett
