

The Fellowship of Reconciliation

BOX 271, NYACK, NEW YORK • Elmwood 8-4601
 DIRECT NEW YORK CITY WIRE: LOrraine 8-8200

Dear Friend:

The response to "They Are Our Brothers..." has been such as to require a form letter by way of reply even to those who wish to work on this project within their communities. Please forgive what may appear to be a depersonalized letter.

Enclosed are a number of documents we have produced for your assistance-- principally WHAT CAN WE DO? In addition you will find a sample poster, a reproduction of an ad you may wish to publish within your own area, a sleeve which can be used to turn a milk carton into a collection container and so forth.

As your work begins, you will undoubtedly find you need a good many of these, as well as additional copies of the THEY ARE OUR BROTHERS booklets.

These and other materials can be ordered by filling out the coupon below.

We look forward not only to receipt of the coupon but to reports of your work as well--your own letters, clippings and other items of interest.

Most sincerely,

Al Hassler
