Dear Friends,

Enclosed is the November issue of U.S. and Indochina. You may order extra copies on the form below.

I am also sending you information on the 7 Vietnamese students who are facing deportation in California. Any letters of inquiry you could send would be a great help to them. (there are suggestions on what to do on the second page).

I would like to encourage all of you to write to me if you need specific information either on the current situation in South Vietnam, or on specific statistics on aid, refugees, etc. I am hoping there can be a more active flow of information from the Resource Center to all of you.

Sincerely,

*Christy macy*
