The national teach-in on Vietnam, sponsored by the Inter-University Community For A Public Hearing on Vietnam, will be held in the Park Ballroom of the Sheraton Park Hotel, 2660 Connecticut, N.W., Washington, D.C., on Saturday, May 15th.

The ballroom has a capacity for approximately 1700 people. There is a possibility that if demand justifies it, we can boost the capacity to 3000 or 5000 people by renting the adjoining Sheraton Room in addition.

In view of the limited seating capacity, admission will be allowed only upon presentation of tickets. Therefore, we are sending you some tickets to be distributed to faculty and students at your institution who will definitely attend the teach-in. We feel that priority might be given to individuals whose knowledge is particularly relevant to the teach-in and to those individuals who have contributed to the organization of this and local teach-ins. Also, we feel that enough individuals may want to stay at home in order to organize the local teach-in successfully.

The quota assigned to you is based on the best possible guess as to how many people from your institution are apt to attend the teach-in as well as the seating capacity of the room in Washington. A certain number of extra tickets will be available at the entrance to the ballroom, and can be obtained there on the 15th of May. However, the bulk are distributed in this mailing. Should the number of tickets we have sent you be way out of line with your actual needs (either far too few or far too many), please write or call our office. This is so we may obtain some estimate as to the size of the meeting room we have to reserve at the hotel.

In case you need considerably more tickets than we have sent you, we will do our best to send you more. Please note that a voluntary contribution of \$2.00 per ticket is suggested. This is done in order to defray the cost of room rental. Money will be collected at the door during the day.
