ECONOMIC NOTES

Published monthly by Labor Research Association

80 EAST 11th STREET, NEW YORK, N. Y. 10003

AN INVITATION

20¢ a copy
\$2 a year

For nearly 40 years Labor Research Association has been editing its monthly

ECONOMIC NOTES

It summarizes significant facts and figures, for example, on the business outlook; inflation and cost of living; unemployment; profits and wages; stock market signals; federal budget and the tax burden; foreign trade and investments; mergers and monopolies; effects of automation; armament contractors and military-industrial complex; cold and hot wars, including Indochina.

People in all parts of the world -- from Ethiopia to Erwin, Tenn. -- like Economic Notes. Sample unsolicited comments -- A German teacher: "Your monthly service is very valuable." Scott Nearing praises the "clarity of the material." Elsa Morse, economic consultant: "A tremendous contribution to the progressive movement ... such brevity and directness." Journalist Albert Kahn: "I find your most thoughtful and carefully prepared material invaluable to me in my work." Victor Perlo: "Superior to any of the monthly bank letters or government publications." A Christian Science Monitor staff member: "Useful, compressed, digested and compellingly pertinent." Dr. Otto Nathan: "Always bringing together material of great interest, presented in extremely readable language."

-- 10 pages, mimeographed, indexed annually -- and it still costs only \$2 a year --

Just fill out the blank below and we'll enter your subscription immediately.
